Thank You!

Sunshine Village is a 501(c)3 non-profit organization and \$40 of the \$125 golf fee is a tax deductible donation to the extent of the IRS code.

Sunshine Village is proudly celebrating our 57th year of serving our communities! As a nationally-accredited nonprofit agency, we work hard to deliver on our promise of a **GREAT** day, every day.

We provide innovative day habilitation programs, community engagement services and employment supports for people with intellectual and developmental disabilities, including those on the autism spectrum.

We are a vibrant community where people live and learn, work and earn and give and grow!

Your gift helps fund community outings as well as our “Bringing the Community to Us” inclusion program. Donations are used to purchase supplies for art therapy and our culinary activities—as well as for sports equipment and instruments for music therapy. Donations are also used to improve our properties and purchase adaptive and medical equipment as well as critical furniture and technology.

YOUR GIFT WILL HELP US SHINE BRIGHTER!
